

Accessing the online classroom

1. Click here

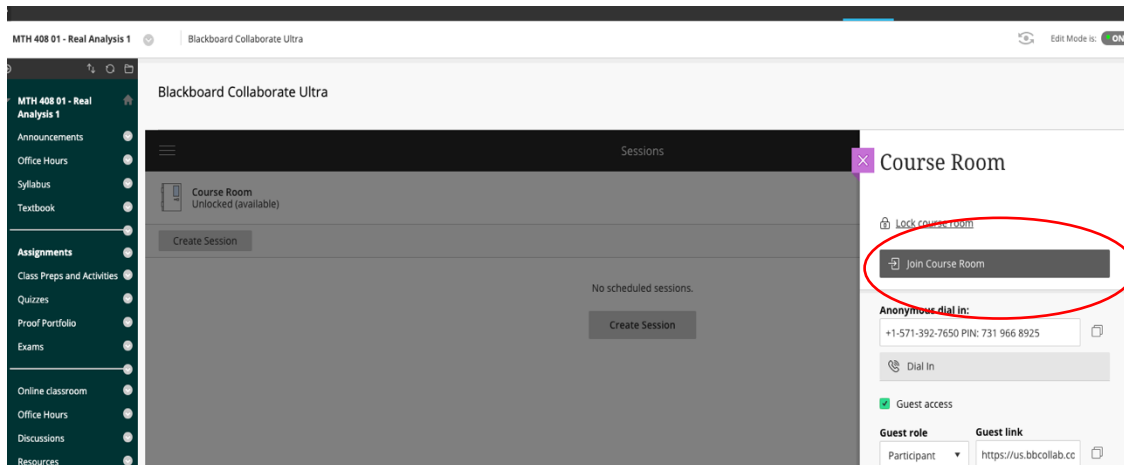

The screenshot shows the Blackboard interface for the course 'MTH 408 01 - Real Analysis 1'. On the left, a navigation menu lists various course components. The 'Online classroom' link is highlighted with a red circle. The main content area displays 'Announcements' with three recent posts from Lauren Keough regarding class preparation, peer tutor hours, and a spring break announcement.

2. Then click here.

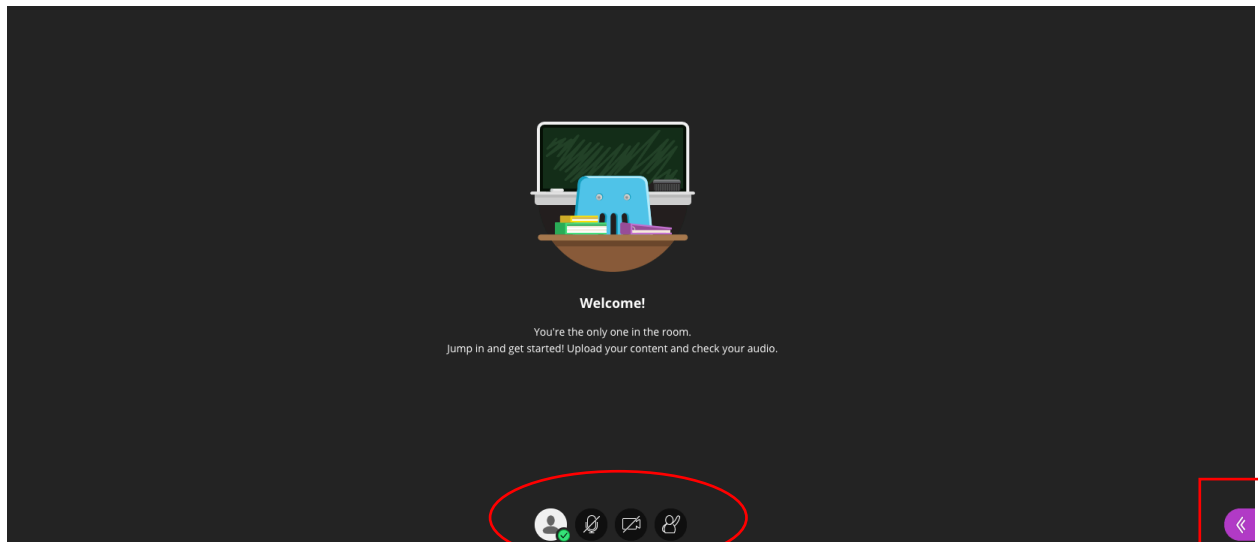

This screenshot shows the 'Blackboard Collaborate Ultra' interface. The 'Course Room Unlocked (available)' link is circled in red. The page indicates there are 'No scheduled sessions' and provides a 'Create Session' button. A 'Filter by' dropdown menu is set to 'All Upcoming Sessions'.

3. Then click here.

This screenshot shows the 'Course Room' details page. The 'Join Course Room' button is circled in red. The page displays session information, including a 'Lock course room' option, a 'Dial In' section with a phone number (+1-571-392-7650) and a 'Dial In' button, and a 'Guest access' section with a 'Guest role' dropdown set to 'Participant' and a 'Guest link' (https://us.bbcollab.cc).

Other things:

Can turn on audio and video or raise your hand here.

This will open a panel of options. One of which is a group chat – feel free to use this to communicate any issues or questions
